Re: Matter Under Review 6215

Dear Mr. Jordan:

This Firm has been retained to represent several Respondents in responding to the Commission's complaint notification in the above-captioned matter under review. Each Respondent's Statement of Designation of Counsel form is enclosed.

We understand that Respondents began receiving the Commission's notification letters on October 5, 2009, resulting in the first response date of October 20, 2009. We were first retained to represent Tate Snyder Kimsey Architects, Ltd. ("TSKA") on October 9, 2009, and first saw the complaint that afternoon. Since then, we have been retained by additional Respondents.

We respectfully request a 30-day extension of the deadline to submit each of the Respondents' responses. The reason for this extension is that we have only just been retained as counsel by many Respondents, and will require time to investigate the matter fully. Moreover, because of the Columbus Day holiday, we have had only a brief time period to assess our ability to represent each Respondent. Finally, commitments in other cases will delay somewhat our ability to prepare TSKA's response.

Although the Commission generally limits extensions of time to 20 days, under the circumstances we would greatly appreciate the courtesy of a 30-day extension. The proposed due dates for each Respondent is set forth below.
